Education

Indira Gandhi National Open University

Masters of Sociology

2023-25

Lucknow, Uttar Pradesh

Relevant Coursework

- Data Structures
 - Graphic Designing
- Data Analysis
 - Computer Concepts
- Artificial Intelligence
 - Internet Technology
- UI/UX Design

Experience

VOVO Software Solutions

Cyber Security Intern

Oct 2023 – Nov 2023

Davangere, Karnataka

- Gained hands-on experience in the design and development of cyber security systems.
- Learned and applied concepts in network security, threat detection, and vulnerability assessment.
- Prepared and presented a detailed report on internship findings under the guidance of a mentor.
- Assisted in simulated cyber-attack analysis and basic firewall IDS configuration.
- Learned to implement basic security protocols and conducted risk assessment exercises for system protection.
- Documented internship activities and findings, and presented a final report summarizing key learnings and project outcomes.

Google Applied Digital Skills – Remote

UI/UX Intern (Virtual Project)

May 2025

Remote

- Explored core UX design principles, wireframing, and user research.
- Completed hands-on projects involving user interface mockups using Canva.
- Learned about design thinking and its role in enhancing user experiences.
- Gained familiarity with user journey mapping and accessibility best practices in digital design.

Projects

Data set Analysis | Python, VBA (Visual Basic for Applications), Excel

2024

- Performed exploratory data analysis (EDA) on a structured dataset using Excel to identify key patterns, trends, and anomalies.
- Cleaned and preprocessed raw data by handling missing values, removing duplicates, and ensuring data consistency for accurate analysis.
- Created interactive dashboards and visualizations (charts, pivot tables) to present insights effectively to non-technical stakeholders.
- Applied data-driven decision-making techniques to extract meaningful insights and provide actionable recommendations.

Technical Skills

Languages: C, HTML/CSS, Python
Developer Tools: VS Code, Eclipse, Google Cloud Platform, Android Studio
Technologies/Frameworks: Linux, Jenkins, GitHub, JUnit, WordPress

Certifications

Certificate of Excellence

Smart Fellowship

Smart Nari Program

2024

- The Smart Fellowship (Smart Naari Program). Issued by Ninaya, Ashoka University Workverse — 2024. Gained mastery of 8 essential soft skills and digital skills. Prepared for an automation-proof career through hands-on learning and mentorship.
- Completed design fundamentals and visual communication using Canva. Issued by Simplilearn – May 2025
- Course on Computer Concepts (CCC) Certified by NIELIT February 2021. Gained proficiency in basic computer operations, MS Office, and internet usage.
- O-Level Certification – NIELIT Completed February 2021. Solid understanding of computer hardware, software, networking, and operating systems. Gained experience with database management and internet technologies.
